

π Pi Day Jewelry

Materials:

- Creativity Street® Pony Beads
- Trait-tex® Yarn

Steps:

1. Choose 10 different colors of beads.
2. String the beads using the number pi (3.14159265358979323) to determine the amount of each color bead to use.
3. Continue stringing beads until you've reached the desired length for your bracelet or necklace.
4. Tie bracelet or necklace closed, and wear!
