

Turkey Door Hanger

Materials

- SunWorks® Construction Paper, Assorted Colors
- Creativity Street® Wiggle Eyes, Bright Colors
- Creativity Street® Seed Beads, Opaque Assortment
- Glue
- Black Marker
- Scissors
- Pencil

Steps:

1. Trace and Cut: Using the Template, trace and cut the turkey's body from Brown Construction Paper. Trace and cut feathers from Yellow, Red and Orange Construction Paper. Trace and cut waddle from Red Construction Paper. Trace and cut feet from Orange Construction Paper.

2. Give It Wiggle: Take 2 large Wiggly Eyes and glue them on to the foam.

3. Glue on the Rest of the Parts: Refer to photo for placement of all pieces and glue in place. Let dry.

4. Give it Specks: Use yellow and white Seed Beads and glue them on the body and head feathers to give it some texture

5. Accent It: Outline everything with a black marker.
